## “Listen Up!”

“I Will Fight With All HIS Might!”

“The LORD your God is before you. He will fight for you...”  
– Deuteronomy 1:30

This week, we continue our series called, “GIANT!” In this series, we’re learning the importance of facing our giants - the problems that stand between us and God - and between us and what God has called us to be!

### **Read:**

1 Samuel 17:42-47

### **Ask/Discuss:**

- How did David choose to fight Goliath? What weapon did he bring to the battlefield?
- How did Goliath respond? What did he say?
- What did David say to Goliath when he threatened him?

### **Say:**

We’ve reached the point in our story where the big moment has come! David walks out to meet Goliath armed with only five smooth stones and a sling. Goliath, however, is armed with sword, shield, and full body armor. Besides that, he was over nine feet tall. It was going to be no contest—or so Goliath thought! While Goliath bragged about how he was going to kill David, David bragged about how powerful GOD is and how HE was going to help him win the battle.

### **Ask/Discuss:**

- What kinds of things do we often try to face on our own?
- How can we allow God to fight our battles for us? What should we do?
- What happens when we decide the battle is the Lord’s?

### **Say:**

When we trust and lean on God, He comes through for us every time! That is why we must always fight with all HIS might!

### **Pray:**

Pray with your children about the GIANTS they are facing. Pray God will help them remember He is always on their side. Pray they will always remember to give HIM the glory when the GIANT is defeated.
