

SIN'S MISUSE OF GOD'S LAW (Part 2)

Text: Romans 7:7-13

Central Truth: God's Law reveals sin's deceptiveness and its utterly contemptible sinful nature.

v.7 I. The Law Reveals Sin

v.8 II. The Law Activates Sin

vv.9-11 III. The Law Kills the Sinner

v.11 Paul says three things about sin:

v.11a 1. Sin is personified as engaging a military operation against us (cf. v.8).

v.11b 2. Sin deceives us. The word translated here is a strong term that means to deceive completely. It is used only six times in all the N.T. (cf. 2 Corinthians 11:3; 1 Timothy 2:14; Genesis 3:13).

Three ways sin deceives us:

1. True _____ can be found in sinful living.
2. We can make an _____ for our sin.
3. We can escape the _____ of sin.

v.11c 3. Sin kills us. Its purpose is always to hurt us spiritually.

vv.12-13 IV. The Law Shows Us the Sinfulness of Sin

v.12 Paul gives us the definitive answer to his initial question back in v.7.

v.13 Paul explains how sin shows its own true character.
