

EVIDENCE OF, FOR, OR FROM GOD!

Text: Romans 1:19-20

Central Truth: Due to natural revelation, God holds every person accountable to respond to Him.

v.19 **I. The Evidence of Conscience (Consciousness)**

Here Paul is referring to what Theologians call:

1. **Natural/General Revelation** (cf. Psalm 19:1): _____

2. **Special Revelation:** _____

(cf. Romans 2:15) God has given man an internal, moral compass called **conscience!**

Consciousness – Being made in the image of God, we have the ability for introspection as well as thinking beyond or transcending ourselves. We are more than just material machines – we have souls or spirits!

v.20 **II. The Evidence of Creation**

Paul says that we have the ability to see, to think and reason about the visible, physical creation around us. Creation testifies to us about God’s existence.

Evidence of Creation:

1. **Teleological Argument for God (Design):** _____

2. **Steady State Theory disproved:** _____

3. **Anthropic Principle:** _____

Three Practical Applications:

1. All people have been exposed to some knowledge of God through natural revelation. They will be judged accordingly. _____

2. More light brings greater accountability. _____

3. Church’s responsibility of evangelism. _____
