

FAITH: SECURITY IN OUR GREAT GOD

Text: **Romans 4:13-22**

Central Truth: God invites us to take Him at His word for salvation and all of life simply by believing and trusting Him.

vv.13-17 I. The Principle of Faith: Salvation Must be by Faith and Not by Human Works

v.13 In *Genesis 12:1-3; 17:4-6*, God made an unconditional promise to Abraham which was ultimately fulfilled in Jesus! It was based solely on faith!

v.14 Paul emphasizes the incompatibility of law and grace (faith). They are mutually exclusive! We can not mix law and grace.

v.15 The Old Testament Law's purpose was to show the Jews that they could not measure up to God's standard.

v.16 Eternal security is based on God's ever sustaining grace and not our performance.

v.17 cf. *Genesis 17:5*

vv.18-22 II. The Power of Faith: Faith is Only as Good as the Object

v.18 cf. *Genesis 15:5*

v.19 Obviously, a hundred-year-old man and his ninety-year-old infertile wife cannot produce a child!

v.20 Abraham's faith was not something he produced from within himself. It was God who strengthened him and gave him this faith!

vv.21-22 Abraham waited twenty-five years for God to fulfill His promise of giving him a son!
